## GOOD JOB

**Smarteyes-Joker** has just become the #3 Hour placing Brittany of all time. Jordan just obtained his 26th hour placement by taking 4th at the Kansas Brittany All-Age Championship and earlier this fall took Runner-Up at the Region 19 Amateur All Age Championship (34 dogs) in South Dakota. This was a dream come true for us, with trying to get him in to the Brittany Hall of Fame being the next dream we hope to accomplish.

**Breton's Blazin Tough Co-Dee** became a FIELD CHAMPION after winning the Minnesota Brittany Club Open All Age stake.

## GOOD JOB

---

Vigueur De L'Escarbot (Elsie) with her ribbon and third leg completed of her AKC Senior Hunter testing. She ran at the Iowa Brittany Club hunt test on October 20 & 21. The venue was at the Earl Stout Farm, Rose Hill, Iowa. The grounds were very nice and challenging complete with wild pheasants in the back course. The Iowa club was very well organized and were very gracious hosts. Mary Garr, one of the longtime members wanted me to say 'Hello' to Millie, Fran and all her friends in Minnesota and to extend an invitation to all our members to participate in one of their hunt tests. We had a great time eating BBQ, antiquing, scouting future hunting areas and meeting new dog people. We even got a hunting invitation that Elsie and I will take advantage of latter this season. Now it's hunting only for us and we'll have to finish her SH title next spring!

## PRAIRIE CHICKEN HUNT

---

I had the opportunity to take part in this year's lottery Prairie Chicken Hunt in NW MN.

I hunted a large tract of restored prairie. I thoroughly enjoyed ambling through the with prairie with Belle and just watching various waterfowl, song-birds, deer, and chickens scoot around was enough to make it a successful hunt. To fill a bag of birds was just a bonus. My only regret is that it was over in a hour. Otherwise, I've been having a great fall.
